

All candidates for a degree from King are required to demonstrate competency in their major fields.

Some programs require a comprehensive examination; others mandate presentation and oral or written defense of a portfolio of their work. Students with more than one major must demonstrate competency in each of their major fields.

A comprehensive assessment will be administered to all students in, or before, the semester that they complete program requirements.

All students will have to Pass according to the minimum requirement of their specific programs. Any student who does not meet the requirement (Pass) of his/her comprehensive assessment will not graduate until the requirement has been met.

A grade of Incomplete for Comprehensive Assessment in a discipline will result in the student's graduation date being moved to the next semester.
