

## Center for Study Abroad and Off-Campus Programs

King encourages its students to take advantage of the significant study abroad and off-campus opportunities it offers. The Center for Study Abroad and Off-Campus Programs, located on the second floor of the Snider Honors Center, promotes the following programs because the institution believes that they are of the highest academic quality.

The Center exists to provide information about the programs, help students apply, and assist them with preparations before they leave campus and while they are away. The Center will also help students investigate other study programs to suit each individual's needs. Please contact the Director of the Center for more information.

### **Assessment of Credit**

Students are required to participate in previously approved and accredited programs (exchange or consortia). Prior to departure students must also meet with the director of the Center as well as their academic advisors to fill out the external program approval form, which indicates the program, the pre-approved course selections, and estimated credits.

Upon students' return, they should submit syllabi and representative graded assignments for review by the appropriate King academic departments to confirm academic rigor.
